Type: ROUTINE INSPECTION

Date: 29-JUN-2022

2.126(a)(2)

Access and inspection of records and property; submission of itineraries.

The records required by the facility including the program of vet care, records of animals on hand and the dog exercise plan could not be examined at the time of the inspection. The facility representatives present during the inspection process did not know where the records were maintained and could not locate them. Required records that need to be reviewed should be maintained and accessible to all representatives when unannounced inspections occur.

Correct by: July 10, 2022

This inspection and exit interview were conducted with a facility representative.
