ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The Attending Veterinarian last visited the premises in January 2014 though there has been an active veterinary - client relationship. The Program of Veterinary Care (PVC) states that visits to the facility will be made yearly. Regularly scheduled visits to the premises of the dealer are necessary to assure the Veterinarian is familiar with the facility and able to make the best recommendations based on observation. Correct by: 30 April 2015

An exit briefing was conducted with the Owner.
