Institutional Animal Care and Use Committee (IACUC).

The most recent program review and facility inspection was conducted on October 24, 2022. The regulations require the IACUC to review the research facility's program for the humane care and use of animals and to inspect the animal facilities at least once every 6 months. This ensures any issues are identified and addressed in a timely manner.

Correct by: September 29, 2023

This inspection and exit interview were conducted with the facility representative.
