MINIMUM AGE REQUIREMENTS.

A puppy had been received by Aloha Air Cargo for shipment from Honolulu to Maui - with a waybill number 687 HNL 0736 1406. There was no documentation regarding the age of the puppy, which was quite small and immature. No dog or cat accepted for consignment unless it is at least eight weeks in age. The carrier had not made any attempt to verify the age of the puppy. Steps should be taken to ensure that whenever a dog or cat is accepted for transport that it meets the minimum age requirement.

To be corrected immediately.

CONSIGNMENTS TO CARRIERS AND INTERMEDIATE HANDLERS.

A puppy had been received by Aloha Air Cargo for shipment from Honolulu to Maui - with a waybill number 687 HNL 0736 1406. The carrier must ensure that the animal has been offered food and water within four hours prior to consignment, and that this info and feeding instructions are prominently displayed on the enclosure.

To be corrected from this time forward.
