Type: ATTEMPTED INSPECTION
Date: 22-MAR-2018

2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:00pm on 22-MAR-18.

On Thursday, March 22, 2018, between 12:00pm and 12:30pm a responsible person was not available to conduct an inspection. Inspector attempted to contact licensee by (calling cell/home and leaving message, knocking on door, honking while in driveway). This is the first attempted inspection.

The licensee failed to have a responsible person available to conduct an animal welfare inspection. The facility was not able to be inspected for compliance with the Animal Welfare Act, regulations and standards to ensure the health and well-being of the animals.

A responsible person must be available to accompany the inspector on an animal welfare inspection.

Correct from this day forward."

(The licensee was reached by cell phone and is experiencing some family issues and was not available), (The licensee stated after mid April 2018 he will be home).
