Contingency planning.

The contingency plan provided during inspection had not been reviewed on at least on annual basis. The date of last review was 28 December 2022. Failure to review the contingency plan on at least an annual basis may lead to inadequate preparation and knowledge of staff on how to safeguard animals during emergencies resulting in poor handling and management of the animals. The plan must be reviewed by the exhibitor on at least an annual basis to ensure that it adequately addresses the criteria listed in paragraph (a) of 2.134.

Correct by 19 February 2024.

This inspection and exit interview were conducted with facility representatives.
