### **ENVIRONMENT ENHANCEMENT TO PROMOTE PSYCHOLOGICAL WELL-BEING.**

The facility (dealer) has obtained five marmosets within the last year. The facility has not yet developed or documented an appropriate plan for environment enhancement adequate to promote the psychological well-being of the marmosets. The plan must be in accordance with currently accepted professional standards and as directed by the attending veterinarian. The plan must address at a minimum social grouping, environmental enrichment and special considerations (including infants/juveniles and those that show signs of being in psychological distress through behavior or appearance). The facility must develop, document and follow an appropriate plan for environment enhancement for the marmosets. Correct by 6/30/18.

This inspection and exit interview were conducted with facility representative.
