Repeat

Institutional Animal Care and Use Committee (IACUC)

Records review indicated that on a study approved on 2/16/2021 the Institutional Animal Care and Use Committee (IACUC) approved four animals maximum for the protocol, and five animals were utilized on the protocol without additional approval. An IACUC amendment changed the species from Bovine to Ovine, but did not increase the animal numbers on 5/18/2021. The IACUC shall review and approve proposed activities or changes to activities involving the care and use of animals.

Correct by 5 April, 2023

This inspection and exit interview were conducted with the Attending Vet and facility representatives.
