2.31(c)(2)

Institutional Animal Care and Use Committee (IACUC).

**During a review of the IACUC records, it was noted the IACUC had only conducted a facility inspection during 7/2024 which was approximately 13 months after the last inspection that was conducted in 6/2023. In accordance with Animal Welfare Regulations, the Institutional Animal Care and Use Committee (IACUC) is required to conduct a review of the research facility's program for humane care and use of animals and to inspect the animal facilities at least once every six months; and to submit a report of its evaluations to the Institutional Official at least once every six months to ensure the humane care and use of the animals. The report must be signed by a majority of the Committee members and include a statement pertaining to minority views, identify any deficiency as a minor or significant deficiency, and include details of a plan for correction.

Correct by: Next semiannual evaluations/report.

This inspection and exit interview were conducted with facility representatives.
