2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:00-11:30am EST on 9/23/24. The inspector attempted to contact licensee by knocking on the door and the licensee's father answered but had to leave. I called the licensee and left a message. He returned the call, but after I left, and he couldn't return within one hour. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
