Type: ROUTINE INSPECTION
Date: 02-FEB-2015

2.40(a)(1)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

With the advent of the retirement of the previous attending veterinarian, the licensee has not had the current attending veterinarian complete, sign and date a new Program of Veterinary Care form. Completion of the information on the PVC by the new attending veterinarian documents a veterinarian is in place to provide adequate veterinary care. The licensee must have the new attending veterinarian complete, sign and date a new Program of Veterinary Care form. Correct by 2 March 2015.

2.75(a)(1)

RECORDS: DEALERS AND EXHIBITORS.

The licensee's record of dogs on hand form is not complete. The "date acquired" and "acquired from" columns are blank on the updated version of these forms. Also the use of a computerized record-keeping system has to be approved by the regional office before it is acceptable. Incomplete forms does not allow dogs in the kennel to be tracked and monitored. All required information must be included on this form. Correct by 2 March 2015.

3.1(a)

HOUSING FACILITIES, GENERAL.

Approximately 6 indoor divider panels have become loose from the flooring material. This has created a gap between the panels and the floor as well as caused the floor to bounce. Dogs could get legs and tails under this gap and into the adjoining enclosures. All enclosures must be kept in good repair to securely contain the dogs and protect them from injury. Correct by 16 February 2015.

3.8

EXERCISE FOR DOGS.

Since the licensee has changed attending veterinarians, the facilities exercise plan is no longer valid. The new exercise plan must be signed by the current attending veterinarian to ensure dogs are provided ample space to allow them to exercise. The licensee must have the new attending veterinarian sign and date the exercise plan for dogs. Correct by 2 March 2015.
