### 2.40(b)(2) REPEAT

#### ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

An adult, female, white and brown Olde Bulldog (#238) has an abnormal, thickened lesion about the size of a marble on its left hind foot. The affected area is reddened and firm to the touch.

An adult, tri-colored, female Cavalier Spaniel (tattoo #51) has a right eye with an abnormal appearance. The white part of the eye is extremely reddened and there is a creamy yellowish discharge coming from the eye. A greenish-yellow, dried crusty material is matted in the fur surrounding the eye.

An adult, white, male Woodle (tattoo #02) has a swollen and reddened sore between its toes on its left hind foot near the top right side. The affected area is approximately pea sized, reddened, moist and firm to the touch. The fur surrounding the sore is wet in appearance.

An adult, red, female Shar-pei (tattoo #15) has an estimated 4x8 inch sore on her neck and chest region. It's moist and inflamed with blister like bubbles on the skin. The hair remaining in the area is clumped together and wet. An approximately quarter size red lesion is located behind the left arm pit. Dark colored, dried material is located along the outer areas of the lesion.

Conditions such as these can be painful and can lead to further health complications. The animals listed above must be examined by a licensed veterinarian in order to ensure that an accurate diagnosis is obtained and an appropriate treatment plan is developed and followed. This information, including the diagnosis, treatment and resolution of the condition, must be documented and made available to the inspector upon request. The licensee must ensure that all animals receive appropriate veterinary care at all times.

\*A female, Neopolitan Mastiff (#102) and female Husky (#43) were listed under 2.40 (b) (2) on the April 10, 2017 inspection report for Site #002.

\*A female Olde Bulldog (#353), male Chocolate Lab (#146563591A), female Olde Bulldog (#1341), female Cavalier Spaniel (#43), female Shiba Inu (#68) and male Olde Bulldog (#03) were listed under 2.40 (b) (2) on the February
