1. The inspector arrived at 4:15 PM on 8/7/14 to conduct an inspection but there was no one on the premises. The inspector contacted the Licensee by phone and learned that he was at a distant off-site location and was not available to accompany the inspector on an inspection.

An AWA compliance inspection could not be conducted because there was no other facility representative available to accompany the inspector.

Unannounced inspections to determine compliance with the provisions of the AWA are required to assess the facility and animals.
