ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:45 AM on 18-APR-18.

On Wednesday, April 18, 2018, between 10:45 am and 11:15 am, a responsible person was not available to conduct an inspection. Inspector attempted to contact licensee by calling cell and leaving message, knocking on and leaving a business card. This is the first attempted inspection.

The licensee failed to have a responsible person available to conduct an animal welfare inspection. The facility was not able to be inspected for compliance with the Animal Welfare Act, regulations and standards to ensure the health and well-being of the animals.

A responsible person must be available to accompany the inspector on an animal welfare inspection.

Correct from this day forward.
