ALASKA DEPARTMENT OF FISH
AND GAME

Type: ROUTINE INSPECTION

Date: 11-JAN-2021

2.31(d)(1)(ii)

Institutional Animal Care and Use Committee (IACUC).

**No alternative search had been conducted and documented in this protocol. Procedures involving more than momentary pain and distress should include the consideration of alternatives to those procedures by the principal investigator. In order to adequately review the activities involving animals, the IACUC should ensure the principal investigator has considered alternatives to procedures that may involve more than momentary pain and/or distress.

Correct by: from this date forward

2.31(c)

Institutional Animal Care and Use Committee (IACUC).

**It was noted during the review of records the following: semi-annual reviews of the humane care and use program and animal facilities had not been conducted by the IACUC. As a result of semi annual reviews not being conducted by the IACUC, results of these evaluations had not been provided to the Institutional Official. The appointed IACUC is responsible for conducting semi annual reviews of the facilities in addition to the humane care and use program of the research facility. In order to adequately review the activities involving animals and assess the facility's facilities, procedures and program, the IACUC must conduct semi annual reviews of the facilities, program and provide results of
