2.134(a)

Contingency planning.

The licensee has not developed a contingency plan for the facility. The lack of an adequate contingency plan could increase the risk of not being able to safeguard animals during emergencies or disasters. The facility must develop, document and follow an appropriate plan to provide for the humane handling, treatment, transportation, housing and care of their animals in the event of an emergency or disaster that could reasonably be anticipated for the species at the site. The plan must address all the components of section 2.134. Correct by October 30, 2024.

This inspection and exit interview were conducted with a facility representative.
