### 2.126(b) REPEAT

#### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:20 am on 08/15/2014.

I was advised earlier this week by the licensee that an authorized person would be available at the facility Friday 8/15, and arrived at 10:20 am on that day. Upon finding no one at the facility, the licensee, authorized person, and facility number were phoned and voicemails left where possible from a location three minutes down the road (better cell reception). I departed at 11:10 am, dropping by the facility to see if the authorized person had arrived in the meanwhile.
