### 2.40(a)(1)

#### ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The facility has changed the attending veterinarian and needs to fill out a new program of veterinary care. This is needed because the new veterinarian may have a different program of care than the last veterinarian and this new program needs to be documented. The facility can then follow the new attending veterinarian's requirements for animal care.

Correct by: August / 12 / 2016

An exit interview was conducted with the facility owner at close of inspection.
