2.131(c)(1)

Handling of animals.

On September 30th, 2022 an unauthorized individual was able to gain entrance to the white rhino enclosure while the enclosure was occupied. Once observed, the individual was immediately removed, and neither the animal nor the individual were harmed.

During public exhibition, any animal must be handled so there is minimal risk of harm to the animal and to the public, with sufficient distance and/or barriers between the animal and the general viewing public so as to assure the safety of animals and the public.

Corrected prior to inspection.

This inspection and exit interview were conducted with a facility representative.
