APPANOOSE COUNTY
CONSERVATION BOARD

Type: ROUTINE INSPECTION

Date: 16-DEC-2020

3.127(b)

Facilities, outdoor.

One male elk was temporarily separated from the females in an enclosure which provided no natural or artificial shelter from inclement weather. Lack of appropriate shelter could lead to health problems and/or discomfort of the animal. The licensee must provide shelter appropriate to the local climactic conditions for all animals kept outdoors.

TO BE CORRECTED BY: 1 January 2021

The inspection and an exit interview were conducted with facility representatives.
