### 2.1(b)(1)

#### Requirements and application

The animals have been moved from the approved site. Some have been donated or sold, and some currently live at a location in Florida. Licensee did not notify Animal Care of the change in address for the location of the regulated animals. APHIS officials must know the location of the animals to ensure optimal animal welfare and well-being. A licensee shall notify Animal Care no fewer than 90 days and obtain a new license before any change in the name, address, management, substantial control or ownership of his business or operation, locations, activities, and number or type of animals.
