### 2.27(a)

#### Notification of change of operation.

Upon arrival at the facility, there was a posting that the registrant was closed as of June 30, 2021 and all animals would be handled by the specific airlines in the terminal building. This is a significant change in operations and the handler is required to inform the Deputy Administrator by certified mail of this change.

Correct by: July 26, 2021

An inspection and exit briefing could not be conducted due to closure of the specific site. A facility representative was contacted out of the site in JFK for report.
