#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:50 pm on April 12, 2024. There was no one at the facility. The registrant was contacted by phone and they were away and not sure when they could return and there was no one else who could come and accompany the inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
