Type: NEW SITE INSPECTION
Date: 14-APR-2022

2.126(a)(2)

Access and inspection of records and property; submission of itineraries.

Program of veterinary care was not available for review at the time of inspection. Review of records, including the program of vet care, allows the inspector to determine compliance and to ensure that the established program of veterinary care is being followed for the health and well-being of the animals. Written program of vet care must be completed, approved by the attending veterinarian and available for inspection by APHIS officials.

This inspection was a site approval inspection.

This site is not ready for approval to conduct activity covered under your current Animal Welfare Act License.

Conducting regulated activities at a non-approved site is a violation of the Animal Welfare Act.

Please contact your inspector to schedule your next new site approval inspection.

This inspection and exit interview were conducted with the Director of Animal Care and onsite personnel.
