JOHN EASLEY

Type: ROUTINE INSPECTION
Date: 10-APR-2014

A focused inspection and exit briefing was conducted with a facility representative on April 10, 2014. This inspection was limited to the two non-compliant items found during a routine inspection on April 3, 2014. The licensee provided records that documented the female Chihuahua ID 497D565231 was examined by the attending veterinarian and given a written diagnosis and treatment plan on April 3, 2014. The licensee took the dog for a follow up appointment on April 8, 2014. The animal is no longer present at the facility. Additionally, the licensee has moved the weaned puppies to enclosures with flooring that has smaller openings and provided mothers with young puppies whelping boxes to prevent the puppies feet from passing through the flooring of their enclosures.
