Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:02pm on 23 June 2025. The inspector attempted to contact the licensee by knocking on the door multiple times, calling all phone numbers listed, and leaving voicemails requesting a call back to facilitate an inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
