2.31(b)(3)(ii)

Institutional Animal Care and Use Committee (IACUC).

The facility's IACUC meets twice a year, once in April and once in October, to conduct their semi-annual reviews and other business. The unaffiliated member's last meeting was in April 2022 and the facility did not have an unaffiliated member during the meeting in October 2022. This position is still vacant.

The lack of participation of an unaffiliated IACUC member in IACUC meetings and semi-annuals means that there is a lack of general community interest being represented on the committee regarding proper care and treatment of animals at the facility. The IACUC, when conducting business required under the Animal Welfare Act, shall include at least one member unaffiliated with the facility.

To be corrected by April 28, 2023.

This inspection and exit interview were conducted with a facility representative.
