### 2.134(a)

#### Contingency planning.

At the time of inspection, a contingency plan was not available for review by the inspector. Dealers, exhibitors, intermediate handlers, and carriers must develop, document, and follow an appropriate plan to provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster (one which could reasonably be anticipated and expected to be detrimental to the good health and well-being of the animals in their possession). A plan must be developed, documented, and followed, and employees must be trained on the plan. CORRECT BY August 25,2023.

This inspection and exit interview were conducted with the licensee.
