Certificate:

Site: 001

Parrot Mountain and Gardens

Type: ROUTINE INSPECTION

Date: 21-NOV-2024

2.1(a)(1)

Requirements and application.

Facility is currently exhibiting regulated animals without a valid USDA Animal Welfare Act license. A search was conducted on July 11, 2024 when the regulations were explained, a blue book, and application were provided to the representative. The facility is exhibiting the following animals for photo shoots and public interaction: more than 400 birds total of various species.

A valid license is necessary to protect the health and well-being of the animals and to comply with the Animal Welfare Act and Regulations. No person shall operate as a dealer, exhibitor, or operator of an auction sale, without a valid license.

Anyone exhibiting more than a total of eight (8) pet animals (including pet bird species), small wild/exotic mammals, and/or domesticated farm-type animals require a license.

Correct by discontinuing covered activity until a USDA license has been obtained.

This inspection and exit interview were conducted with facility representative.
