HELENE HAMRICK

Type: ROUTINE INSPECTION
Date: 21-JUL-2015

2.40(b)(2) DIRECT REPEAT

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

A male Shih Tzu dog approximately 7 years of age (microchip number 104090363) was observed to have a cloudy left eye. The entire surface was mildly cloudy. There was also a circular, localized area of severe cloudiness on the eye. There was a thick, clear discharge on the surface of the eye and on the hair surrounding the eye. The dog also had a severe build up of grey/tan material on the majority of the teeth. The gums were severely red and swollen and in some areas pulled back from the teeth. There was a milky white discharge present covering nearly all the teeth. There was a red lumpy swelling approximately 1/2 inch in length along the gum line on the upper left side of the mouth covering the surface of one of the cheek teeth.

A male Bichon dog approximately 8 years of age (microchip number 080870010) was observed excessively licking his outer lips and nose. The majority of the teeth were covered with a dark grey/brown material. The gums were severely swollen and red. In some areas the gums were pulled back from the teeth. A white milky substance was observed along the gum line of the cheek teeth.

Dental and eye conditions such as these can be painful and lead to further complications. The animals listed above must be examined by a licensed veterinarian by 5:00 pm on Wednesday July 22, 2015 in order to ensure that an accurate diagnosis is obtained and an appropriate treatment plan is developed and followed. This information, including the diagnosis, treatment and resolution of the condition, must be documented and made available to the inspector upon request.

"Warrior" (# 062 630 346) a male Bichon, "Anna" (# 004 359 598) a female Yorkshire Terrier and "Delia" (# 103 820 126) a female Bichon cited under veterinary care 2.40 b 2 on the February 19, 2015 inspection report have been corrected.

Records were not inspected at this time.

Inspection and exit interview were conducted with the owner. AC personnel present VMO Heather Cole and VMO
