2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:15pm to 1:45pm on 12/4/24. The inspector attempted to contact the licensee/registrant by calling and leaving messages on two phone numbers, ringing the doorbell, and knocking on the door. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
