2.36(a)

Annual report.

The USDA FY Annual Report was not submitted to USDA on or before the due date of December 1; it was submitted on 1/23/23.

Per this Section, each research facility shall submit an annual report to the Deputy Administrator on or before December 1 of each calendar year. The report shall cover the previous Federal fiscal year (October 1 through September 30) and include an accounting of the numbers and species of animals used for research activities at the facility.

This item was corrected prior to the inspection, however, the research facility needs to ensure that all future USDA Annual Reports are submitted on or before December 1.

This inspection and exit briefing were conducted with facility representatives.
