### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:10am on February 8, 2024. The APHIS official called the licensee at the phone number on file and left a message. Then the official knocked on the door to the residence at the facility and was told the licensee was not on property and not available today.
