Contingency planning.

The facility was unable to locate the contingency plan for the handling, treatment, transportation, housing, and care of animals in the event of an emergency for review at the time of inspection. Contingency plans must be documented according to the requirements of this section, reviewed annually, and the plan and all annual review documentation must be made available to APHIS officials upon request. Ensure that the contingency plan is in place at this site and available for review by APHIS officials at the time of inspection. Correct by: 24 July 2024

This inspection and exit interview were conducted with Farm Manager.
