Inspection Report

Correct by 04/01/2022.

3.13(a)

Veterinary care for dogs.

The written Program of Veterinary Care for Dogs was not available for review at time of inspection. The review of this document is necessary to ensure that the facility is addressing the requirements in this section of the Animal Welfare Act and that the facility is following the instructions for animal care given by the attending veterinarian. The facility must keep and maintain the written program of veterinary care and make it available for APHIS inspection.

Correct from this day forward.

This inspection and exit interview were conducted with a facility representative.
