### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:50 am on 14 MAY 2024. Upon arrival, the inspector talked to two employees who said the licensee was not there. The inspector called the licensee, and getting no answer, left a message. At 11:26, the inspector called the licensee again, left another message, and then left the facility having made no contact. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
