A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:45 AM on 01-Mar-18. Inspector attempted to contact registrant by knocking on the door, calling the phone number listed on the application, texting the phone number listed on the application and waiting 30 minutes for any response. This is the first attempted inspection.

The licensee failed to have a responsible person available to conduct an animal welfare inspection. The facility was not able to be inspected for compliance with the Animal Welfare Act, regulations and standards to ensure the health and well-being of the animals.
