### 2.75(a)(1)(iv)

Repeat

#### Records: Dealers and exhibitors.

The records of disposition for the six wolf/hybrid puppies that were adopted out in April and May of 2020 are incomplete. The records do not disclose the full names of the receivers or any addresses. All records of acquisition and disposition shall fully disclose the information as required in Section 2.75.  
Correct by October 8, 2021.

### 3.131(c)

#### Sanitation.

There is an excess of clutter inside of the building housing the animals. The clutter (old equipment - vehicle batteries, empty tanks, metal, bags, wires, wood, etc that are not in use) located in close proximity to the primary enclosures, on top of covered enclosures and behind them. Clutter increases areas that may harbor pests. The clutter also interferes with access to the animal enclosures thereby inhibiting good husbandry practices.  
The area and cabinets where the medications,, topicals and herbal treatments are stored is also cluttered with empty bottles, expired items, containers and utensils. Some items are sticky which may attract flies and other pests. The area shall be cleaned and items of no use discarded or removed to decrease the clutter and allow cleaning.  
To be corrected by November 22, 2021.
