The facility's Record of Animals On Hand is not up to date. Four fox kits born in April 2021 and the acquisition of five rabbits in May 2021 have not been recorded. Also, the death of one opossum has not been recorded. Incomplete records do not provide accurate information regarding the total number of animals housed at the facility. Correct by ensuring that the facility records are current and up to date with births, acquisitions and deaths and that the records reflect the number of animals currently at the facility. Correct from this date forward.
