ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 0800-0820 on 26-OCT-17.

I knocked on the door and rang the doorbell and got no response drove down to kennel area to see if anyone was working, I noticed that only three corgis are present in facility. Drove back up to house knocked and rang door bell. Called and left a voicemail went next door to son's house and talked to his girlfriend your worker and she told me that you are out of business and told her to tell you to send in to the office about your intentions. You did call after I got into town and you informed me of your intentions. I told you to notify the office of what you are doing.
