**Annual report.**

Animal Care did not receive an annual report for fiscal year 2023 from this registrant by the required deadline. Annual reports from 2021 and 2022 were also not received by the required deadline.

The reporting facility shall be that segment of the research facility, or that department, agency, or instrumentality of the United States that uses or intends to use live animals in research, tests, experiments, or for teaching. Each reporting facility shall submit an annual report to the Deputy Administrator on or before December 1 of each calendar year. The report shall cover the previous Federal fiscal year. The Annual Report of Research Facility (APHIS Form 7023), Continuation Sheet for Annual Report of Research Facility (APHIS Form 7023A), and Annual Report of Research Facility Column E Explanation (APHIS Form 7023B) are forms which may be used to submit the information required by paragraph (b) of this section.

**Miscellaneous.**

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:00 pm on July 10, 2024. The inspector attempted to contact the registrant by phone and texts. No authorized persons were at the facility. Inspector left at approximately 2:00 pm after registrant called back at 1:45 pm saying he could not arrive until 3:30 pm or later. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
