HEALTH CERTIFICATION AND IDENTIFICATION.

Health Certificates

The licensee is using health certificates designed and for use on animals sold and transported in the State of Wisconsin only. However, APHIS Form 7006's show multiple sales in which the animals are being transported across the state lines. Health certificates must be correctly filled out, and followed as an assurance that the animal(s) are healthy and that travel is acceptable. All federal, state, and local laws, regulations, and guidelines involving the transportation of animals must be strictly followed.
