2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:30 on 17-Aug-17.

The licensee's wife stated that she was not able to accompany inspection due to other obligations. Without availability for inspection, the regulatory process is impossible. The licensee must ensure a knowledgeable facility representative is available to accompany APHIS inspection during normal business hours.

Correct from this time forward.
