2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 2:00 on 07/20/2016.

Attempts to make contact with the licensee were made by knocking on the door and dialing the listed phone number. There was no answering service or way to leave a message, but the phone was allowed to ring unanswered for at least 90 seconds (10-15 rings). After waiting 30 minutes for someone to arrive home, the inspector left the premises and sent the attempted inspection report by mail.

The licensee must ensure that a responsible adult is available to accompany the inspector in order to facilitate the regulatory process. Correct from this time forward.
