### 2.126(b)

#### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 130pm on 02/03/2014.

Both doors were knocked on and I waited in the drive for 30 minutes. I attempted to leave a message but the voicemail box was full. I left a card in the door asking the licensee to call in order to determine days and times that are better for future inspections to find the licensee and a phone number to make contact.
