### 3.4(b)

#### OUTDOOR HOUSING FACILITIES.

##### Shelter

In an outdoor enclosure, containing 4 dogs, the shelters are not large enough to contain all animals comfortably at the same time. Shelters need to be large enough for all dogs to escape the elements of weather. The licensee needs to provide additional and adequate shelter or remove 2 dogs from the enclosure. The licensee must ensure that all dogs housed in an outdoor enclosure have access to shelter that is large enough so that each animal can sit, stand, lie in a normal fashion, and turn about freely at all times.
