#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:05 pm on 4/28/2025. The inspector attempted to contact the licensee by knocking on the door and calling the phone number on file, the licensee called back and left a message stating they are at work. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
