#### Recordkeeping requirements.

There was no record of IACUC meeting minutes completed and made available for APHIS review for an IACUC meeting which took place on 11/29/2021. Recording meeting minutes is important to document IACUC activities, reviews, discussions, and deliberations. Additionally, meeting minutes are important to document any concerns or investigations with animal care or facility issues and to ensure that any of these issues are appropriately addressed.

Each research facility must maintain IACUC records of meeting minutes, including records of attendance, activities of the Committee, and Committee deliberations.

Correct from this day forward.

This inspection and exit interview were conducted with a facility representative.
