Records: Dealers and exhibitors.

The records for the cats owned, held, acquired, or transferred by the licensee were not current. There were no records for the 8 cats acquired since the last inspection and no disposition information for the 3 cats no longer on the premises since the last inspection.

Per this Section, exhibitors shall make and maintain complete records regarding the details of the acquisition and disposition of cats in their possession in order to account for all animal transfers and the sources of the animals. The Licensee needs to ensure that complete acquisition and disposition information is recorded for the 11 cats noted above as well as for all future cat acquisitions and dispositions.
