PREDATORS OF THE HEART

Type: ROUTINE INSPECTION
Date: 23-SEP-2021

2.40(b)(2)

Attending veterinarian and adequate veterinary care (dealers and exhibitors).

A male armadillo was found dead during June 2020. The animal was under treatment for a medical condition, and subsequently died due to unknown circumstances.

All animals must receive appropriate care and treatment to ensure their health and well-being. The individual that was responsible for the care of the armadillo is no longer at the facility.

Correct from this day forward.

This inspection and exit interview were conducted with the facility representative.
